Investigation and Revocation of )  
Certificate No. 101 Issued to )  
AL's TRAVEL SERVICE, INC. )

Case No. MP-84-08

Title II, Article XII, Section 9(a) of the Compact and Regulation No. 62 of this Commission require that a certificated carrier, at all times, maintain on file with the Commission evidence that the carrier has appropriate insurance in force. Section 9(a) further provides that no certificate of public convenience and necessity shall remain in force absent compliance with the Commission's regulations governing security for the protection of the public.

On July 11, 1984, the Commission was notified that the liability insurance policy of Al's Travel Service, Inc., was to be cancelled on August 14, 1984. On the date notice was received, the staff advised Al's by letter that it must cease operations on August 14, 1984, unless new evidence of insurance was filed prior to that date. Al's was also cautioned that failure to resolve its insurance situation may result in a formal investigation and suspension or revocation of Certificate No. 101.

By August 14, 1984, Al's had not communicated with the Commission. A second letter was sent reminding Al's that its operating rights were invalidated and again advising that formal action against Certificate No. 101 was imminent. Al's has made no response.

THEREFORE IT IS ORDERED:

1. That an investigation is hereby instituted for the purpose of determining whether Certificate of Public Convenience and Necessity No. 101, issued to Al's Travel Service, Inc., should be revoked.

2. That Al's Travel Service, Inc., and its president, Al Hunter, are hereby made parties respondent to this investigation.

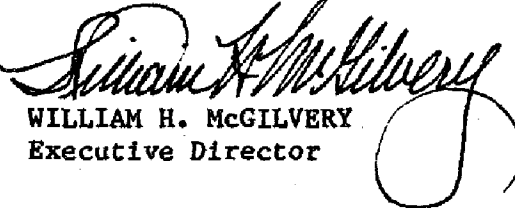

3. That respondents are hereby directed to file evidence of insurance in accordance with Commission Regulation No. 62 or, in the alternative, to show cause, if any there be, in writing and under oath, why Certificate No. 101 should not be revoked.

4. That, should respondents desire an oral hearing on this matter, they must file a motion requesting an oral hearing and show cause why an oral hearing is required.

5. That the filings directed herein shall be made no later than 20 days from the date of service of this Order.

6. That Al's Travel Service, Inc., is further directed to cease and desist from transporting passengers for hire between points in the Metropolitan District pending disposition of this matter by further order of the Commission.
